Biography

Mark and Bethany Harris evangelized full-time for over eleven years and then pastored for more than fourteen years in Wisconsin, where he also served as evangelist coordinator. After serving as an AIMer for eighteen months in Bangladesh and India and an Associate Missionary for three and a half years, they were appointed as Intermediate Missionaries to Japan/South Asia. They assisted by teaching Purpose Institute for six months and helping to establish children's ministries.

The Harris family received their AIM appointment to Bangladesh in 2013. They taught Bible studies and Purpose Institute and traveled to India to do evangelistic ministry. In 2015, they moved to India, where they worked with the General Superintendent of the North East India UPC, taught in Bible colleges, taught leadership seminars, and preached at children's camps, youth camps, revivals, and conference meetings. They have traveled to many countries in Asia, doing Apostolic ministry, teaching, preaching, training, and discipling believers. During their ministry, the Harrises

have been privileged to see many miracles and over 5,000 receive the Holy Ghost worldwide. Their field of appointment changed to Cambodia/Southeast Asia in February 2025.
