

THE UNITED KINGDOM

64 Million Lost Souls

4th Quarter
CHRISTMAS 2024

UK Missionaries John & Sherri Hemus

Although most of us are already looking forward to 2025 and have committed to events and dates in the coming year, I want to stay in 2024 a little longer and give God glory and praise for all He has done in our lives and churches this year. With our eyes we can see some of what He has accomplished but in our spirit we know there is so much more that has taken place, and only time and even eternity will reveal this. This year, the Apostolic Church of Liverpool water baptized forty-seven and forty-four were filled with the Holy Ghost and we still have one month to go! Who else can God use me to reach in that month? We had a group of young people from ACOL attend the European Youth Convention in Barcelona in July and the same week we were able to attend Because Of The Times Europe also in Barcelona. Both were impacting, spirit filled conferences. The United Pentecostal Church of Great Britain & Ireland holds their general conference each year in August and this year we had over 1,000 registered for the very first time. In September, ACOL held our annual All Nations Sunday with 24 nations represented and 260 in attendance. It was the best one to date! Thank you Jesus for all you have done for us in 2024! (Photo: two new souls receiving their Baptismal and Holy Ghost Certificates November 10)

We send our love and gratitude to you and your church for all you have done for us in 2024 and pray God's blessings and favor on you. May 2025 be filled with His peace and the joy only Jesus can give and His light shine brightly in all you do.

Thank You to all our Partners that have supported us over the years. Also, WELCOME to our new Partners and Thank You for joining with us to reach the U.K. for Jesus Christ. We have the privilege of bringing those who are lost in the darkness and devastation of this world, to the Kingdom and glorious light of Jesus Christ. This cannot happen without Your support! Thank you for your sacrifice, prayers and support! You are part of this U.K. mission!
