GUINEA

LOGAN & HANNAH BLACKMON

During a visit with Pastor Michel and his growing church, four members were filled with the miraculous gift of the Holy Ghost! We're joyously praising God for the revival He continues to ignite across this nation!

THE NETHERLANDS

ALLAN & CARLA CALHOUN

We would like to share the testimony of a young man, now saved, who had faced gun and drug charges. The prosecutor said jail time was expected, but when he spoke before the judge, the Holy Ghost filled the room, and the judge said, "For the first time in my career, I won't charge a gun offense. You leave with no charge and a clean police check." His final words were, "Today is your turning point." Turning Point (Het Keerpunt) is our church's name. That young man is newly married and just taught a home Bible study and baptized his friend in Jesus Name!

BENIN

THAD & EMMALEE BENSON

Within the first two weeks of returning to Benin, we had seven people come over to our house one Sunday evening, and they were baptized in the girls' little swimming pool!

MADAGASCAR

CHRIS & PAULA RICHARDSON

At Madagascar's National Conference last year, 2,457 people were filled with the Spirit. With a peak crowd of over 65,000 people, what a blessed time we had worshipping the Lord together. We give God all the praise for the anticipated revival happening this year in 2026!

PROJECT

ASIA

BUILD A SMALL VILLAGE CHURCH IN THE GOLDEN TRIANGLE (MYANMAR)

For several years, the UPCI has been sponsoring small village church buildings in the Golden Triangle (a remote area where the three countries of Myanmar, Laos and Thailand converge). The work in the Golden Triangle has progressed among the different tribes. The churches are in hilly areas and are remote and hard to access. We are thankful for pastor GT Robert and his daughter who are bringing the Gospel to about 50 small villages. Souls are being baptized in Jesus' name and filled with the Holy Ghost! When villagers donate the land, we can build a village church for \$11,000.

COST: \$11,000

OPENING A NEW AREA IN FAITH BELIEVING

We are expecting Iran to open up pretty quickly as things progress. There are literally hundreds of Apostolic believers who have been isolated within that regime. Once it falls, and it will, we will need approximately \$15,000 for three people to go in to make contact with these believers.

COST: TRAVEL FUNDS INTO IRAN \$15,000
