Biography

The Marse family first served in Bolivia on AIM in 2006 and received full missionary appointment in 2011. Bro. and Sis. Marse have served in various positions during their time in Bolivia. Bro. Marse has pastored, been a district superintendent, and a teacher for the GATS program. Currently, he is a district GATS coordinator and teacher, serves as the national men's ministries director, and oversees the Bible school. Additionally, he does a livestream once a month that is directed to the Bolivian church. It is called "Mission to Multiply," and it focuses on lessons to help and encourage the national church toward evangelism, church growth, and unity. Sis. Marse has served as a district Ladies Ministries director and is currently a district Sunday school director. Upon returning to Bolivia after their deputation, Bro. Marse will focus on building new Bible school facilities to house more students and will continue teaching and training the next generation of pastors and ministers.
