## Prayer Requests:

- For Global Military Ministries: God open doors for church services and/or Bible studies on every base overseas.
- For the FUPC: God provide the finances to purchase land that the church and office sit on.
- For the continued safety and protection of our military and their families.
- For laborers with a burden for military and open doors for Apostolics in the military overseas to reach those on the bases.

## Advancing *His* Kingdom.

This quarter, we're excited to share what the Lord has been doing in the FUPC & AMM. From purchasing our office building to the wedding of our daughter, we are thankful for all that the Lord has done and continues to do!

# A Wedding that leads to a Baptism...

We had a monumental event take place in November. Our daughter, Associate Missionary, was married to Edwin Avitiaholguin, a Marine here in Okinawa. There were 26 people who flew over just to come be a part of this special occasion. What made this blessed event even more special is that the day after the wedding, Edwin's brother Kevin, not only received the Holy Ghost (including a powerful service and altar call), but Kevin was baptized by his brother and new sister-in-law! To God be all the glory!
