

Two years ago, Regional Director Nathan Harrod asked Nate to help him by serving as an area coordinator. Ingunn and the boys finally had the opportunity to travel with him this summer in our area. We thank God for growing contact between national pastors and ministers and fellow missionaries. Several new people have been born again, even just this summer!

Rick and Valeria Hughes from Oklahoma blessed Estonia and Norway (below) with their ministry.

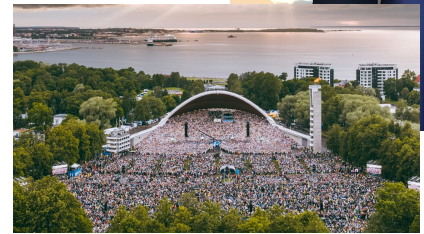

We hosted the Area Missionary Training and Fellowship (AMTF) for Northern Europe in Tallinn. Tim and Stacy Gaddy blessed us with powerful teaching and insight as guest speakers. We honored Area Coordinator Robert and Jerolyn Kelley for 30 years of leadership as AC.
