

The Reeves Family

Miracle Worker!

To our lawyer's surprise, we received our residents permits that we have been believing God to provide for nearly two years now! The process is very slow and tedious in Greece, and we had put it in God's hands. This secures our ability to be in the country to work for God for the remainder of this four-year term!

The work in Greece is undergoing a complete restructuring. A lot of work has been done, but a lot remains. I was appointed as the Director of Education for Greece by the Global Missions Board recently. The Bible school will soon be completely redesigned. There are many who have expressed interest in Bible school education for their spiritual development.

As the needs of the work have shifted significantly over the past year and to meet the needs of the Bible school, our family needs to relocate from Crete to Athens as soon as possible. We must raise \$22,000 to cover the immediate needs involved in this relaunch.

If you would like to help us complete the groundwork for this exciting new beginning, please scan the QR code and select "miscellaneous." All funds in this project are for this purpose.

You can also send offerings to Global Missions, 36 Research Park Court, Weldon Spring, MO 63304. In the memo, please note "GMGP.350308.2701."

We know that all of the recent developments and changes are setting Greece up strategically for a powerful revival and outpouring of the Holy Ghost. Everything is being done with intentionality and with that goal in mind!
