Biography

Jim and Latitia Robertson began their missionary journey in 2002 with an appointment to Tanzania, teaching in the Bible school and preaching at District Conferences. After one term, the call of God took them to the country of Poland in preparation for what was to come. While in Poland, they were extensively engaged in prayer, evangelism, and spiritual warfare, which has become a strategic part of their ministry. While on deputation, the Robertsons were asked if they would transfer to the Philippines. Throughout their nine years of training, hundreds of young men and women have passed through their lives who are now pastoring growing churches that are strong in faith and doctrine. Some have become pastors, teachers, evangelists, and prophets who are greatly used in the Gifts. Their goal in this upcoming term is to help all of the current Bible schools achieve a higher level of proficiency, particularly in the upper levels of training, and to assist in starting six new Bible schools in the Philippines.
