Look what the Lord is doing!

Five baptized in Jesus' name
in La Vega, DR.

At our National Ministers Conference, Pastor Samuel Lugo and his wife Sister Johely were elected as our National Superintendent. We honor them and are grateful for their burden. We are excited about what the Lord is going to do through their leadership.

Thank you to each one who gave to our Bible School project. We have been able to purchase printers, tables and other miscellaneous classroom items. Also, we want to give a special thank you to Bro. Morgan Spake for donating several laptops.

It was a great honor to have the Regional Directors for Europe, Bro. Nathan Harrod and his wife here with us ministering in our Region 6 Conference. 12 were filled with the Holy Ghost and there were 13 healings, including a lady who was healed of cataracts and could read the conference banner!

We were blessed to have The Refuge Hyphen group from Rock Island, IL pastored by Bro. David Brown. They ministered in several churches, painted a church and served a community. Our son Daniel and his wife Kalyn led the group and our granddaughter and daughter were also here. Through evangelism they were able to obtain 24 Bible studies. Two were filled with the Holy Ghost and at least one person was healed. We are so grateful for what the Lord did through them. We truly enjoyed having our family here as well.

Because of your giving to Move the Mission, we were blessed with a new and reliable vehicle. Thank you so much for helping put wheels on the gospel!

Thank you for your faithful giving and prayers. We could not do it without you!
