

Spotlight on GERMANY

3rd quarter, 2025

Not only the beautiful summer sun but also the Sun of righteousness (Malachi 4:2) has shone on us through the last few months. Many opportunities and duties have filled the days, but protection and blessing have also filled our lives.

Berlin Bible Center was honored to host a youth event. Sister Adler, the district Hyphen director, brought a team and coordinated the weekend with Brother Dobbins, the Campus Ministries leader. The young people enjoyed fellowship, games, and Bible study at our apartment and participated in a youth service on Sunday. We appreciate their work, and God brought the increase. Phil gained the revelation of the plan of salvation and was baptized in Jesus' name shortly thereafter.

The church in Bonn, Germany, asked us to minister there, and we were privileged to do so. Since Pastor Murillo could not be present, he asked Brother Sledge to baptize Sister Mercedes. Another soul had her sins removed and her name written in the Book of Life!

Germany's ministerial retreat encouraged and challenged us all. Brother and Sister Terry Long (Indiana) exhorted us. We laughed, cried, praised God, and came home with fresh direction and hope. We appreciate all our brothers and sisters and thank God for the unity and momentum among the apostolic churches in Germany.

We said, "Auf wiedersehen," to the church here as we headed back to North America for deputation. May Jesus richly bless you for your prayers and support in every step of this journey. We work in the harvest in Germany, you strengthen our hands, and God adds to His church. His plan works!

To glorify Jesus,

Carl and Bethany Sledge
