

# RWANDA *the Sportsman family*

## G.A.T.S

In May of this year we are thanking God for our first ever G.A.T.S. Bible Training class. We have 13 students that are currently attending our Apostles Doctrine course.

A sincere thank you to everyone who has given toward our Training Project. We are believing that the multiplication of disciples is on the horizon for Rwanda and the UPCR!

## CHURCH GROWTH

We have been amazed at the amount of growth that is taking place in the Headquarters Church. In April of 2021, after the reopening of the church from Covid lockdown, there were only 15 members who returned. Today our average Sunday attendance is conservatively well over 100 people and increasing every Sunday.

We credit this to the grace of God and the prayers of our faithful supporters who are continually praying for an outpouring of the Holy Ghost and a revival that we believe is on the rise!

### Soon to be: **Family of 6**

We are thrilled to be adding a new member to our family. God is blessing us with a baby girl in September 2023.
