

DENNIS AND AMY UECKER REGIONAL TEACHER

GLOBAL MISSIONS SERVICE

Dennis and Amy Uecker were both raised on the mission field, Dennis on the home mission field of South Dakota, and Amy on the foreign mission field of El Salvador. They ministered in several countries while participating in short-term missions before receiving full-time appointment to Latvia in 2015. Their ministry has involved teaching, music, pastoring, Bible school administration, student ministry, church planting, and evangelism. Their primary objectives are the development and administration of a missions training center in honor of Rev. Robert K. Rodenbush and serving as the Global Student Ministries Coordinator for Europe. In 2022, the Uecker's appointment was changed to Regional Teacher, and they are now conducting and coordinating missions training from Barcelona, Spain.
