

Zenobia Family Missions

SPAIN

APRIL 2025

CORE TEAM TRAINING

God has sent several families with great potential to serve as future leaders in Esperanza Viva Sevilla, and beyond. In one week we will finish our 10-lesson core team training on doctrine, unity, and evangelism so that we can send key leaders to serve in various ministries throughout the city.

INSTALLATION AND RECOGNITION

In March, Esperanza Viva met the requirements of the UPC of Spain to be an established church, transitioning us from our status as a "mission." District authorities also installed us as the church's pastoral family. We're thankful for the guest pastors and visitors who came celebrate with us.

EASTER 2025

Easter Sunday saw a record attendance of 36 at Esperanza Viva, including two new families which we are working with to start new Bible studies. The kids enjoyed an Easter egg hunt on the terrace of the hotel where we hold services. They found candy, toys, and even a little money!

Esperanza Viva Sevilla

BAPTISMS & HOLY SPIRIT OUTPOURINGS

- 5 baptized in Jesus' name!
- 8 filled with the gift of the Holy Spirit!

Our motto: The church where God is present.

Since January we have been meeting in the conference room of a hotel in the northern part of the city. Currently, we are able to hold Sunday school in an adjacent room while the worship service takes place. Over the last 7 months, since the church began holding services, we have baptized 5 in the Name of Jesus and 8 have received the gift of the Holy Spirit!

Our maximum service attendance has been 36 people. We continue to teach the gospel in small group Bible studies throughout the city. The number of these groups continues to grow, with new prospects opening up in neighboring towns.

In the next month, we will launch into new evangelism efforts and begin looking for a location of our own to maximize our ministry flexibility.

We continued to be amazed by the work the Lord is doing in Sevilla and in Spain!

PRAYER REQUESTS

- A building/space of our own in the city.
- Connection with new contacts
- Spiritual, social, and academic growth of our boys

SUPPORT
