WHEN JESUS SAVES A FAMILY

Yeiron grew up in church with his brothers and a gifted voice. He served God in song for years, until sadly, offense drove a wedge between him and the Church. Last Christmas we met Yeiron, his new wife Gabriela, and their sons Nicolas and Alan (a toddler). Expressing their desire to draw closer to God, we began a Bible study in their home.

Nicolas's baptism

Montse's baptism

Within weeks, Gabriela—raised in the Catholic faith—was baptized while visiting a church in Madrid and soon received the Holy Ghost. By spring, Nicolas followed her example, being baptized and filled with the Spirit. God's Word was transforming this family! Montse, Nicolas's friend, also began attending the studies, was baptized this summer, and recently received the Holy Ghost.

Yeiron and Gabriela now sing on the church worship team and Nicolas helps set up for service. Montse just enrolled in our discipleship class, and we are praying for her family to come to faith. The Bible study is still going, but with a new family attending it. ***What a privilege to watch when Jesus saves a family!***

WE HAVE A NEW BUILDING!

BUILDING PROJECT

God opened a door for us to acquire our own building in the heart of Sevilla on a rent-to-own contract. The space, which will seat up to 120 souls, has two classrooms, an office, and a kitchen. It will serve as our base of operations for discipleship, evangelism & community outreach, worship, and a new Bible school launching in spring 2026.

The building is a perfect fit but needs renovation, proper licensing, and furnishing. We estimate the project cost is about 50.000 EUR. Esperanza Viva has already raised nearly 14.000 EUR, a miracle! That means our present need is around \$40,000 to complete the project.
