

BANGLADESH / GUYANA / CZECH REPUBLIC

BANGLADESH

FRANCES DAY

In one Quarter alone we saw 199 receive the Holy Ghost and 239 baptized in Jesus' name in Bangladesh!

GUYANA

STEVE & CHERI SMITH

After 23 years we were able to reach Mahdia Village, called the "Heart of Guyana" in the interior and teach and preach the Apostolic message there for the very first time. 4 received the gift of the Holy Ghost and 14 were baptized in Jesus' name (Some in an old freezer and some in a beautiful creek!) God is good!

CZECH REPUBLIC

MATTHEW & ANGIE BUCKLAND

God has given us favor in the immigrant community in the Czech Republic. With the open doors that God has given, we have launched a daughter church to reach into this demographic!

MONTHLY PROJECT HIGHLIGHTS

BOAT TO REACH EASTERN ISLANDS OF FIJI

We are working on the purchase of two 23ft flat bottom Safeway boats with a 60hp outboard motors to help establish works in the unreached island groups that make up more than 300 islands of Fiji. Our focus is on the Eastern District that is made up primarily of the Lao & Lomaiviti Island groups. Most of these islands are only accessible by boat and have been relatively unreached...until now. As stated above we are making efforts to purchase two boats (with motors) **at a price of \$9,500 each**. These boats will be based on the islands of Levuka and Lakeba and will be dispatched to connect with our contacts and begin to establish churches in an area that has not heard this apostolic message.

PROJECT FONTAINEBLEAU

Fontainebleau is a city located approximately 25 kilometers from Paris. It is an extremely diverse city because of its prestigious business school and other international academic and cultural organizations that attract people from all around the world. From our very first appointment to France in 2015 as aimers, God gave us a burden for this city. Although we have been heavily involved in the headquarters church in Melun, the burden for Fontainebleau continued to grow. In 2018 we rented an apartment there to begin assimilating into the community. In 2021, during an outreach event, we were able to connect with several people and began teaching bible studies and eventually held small group meetings in our apartment. However, there were space, noise and accessibility challenges. In 2022, God miraculously helped us to find a space downtown Fontainebleau, on the main street, with great visibility. We have since transitioned the bible studies and small group meetings there. In addition to teaching bible studies and having small group meetings, our goal is to use this space to provide the community with resources such as, language studies, the A.C.T.S., VBS and other such programs. Thank you for your consideration
